

HARRISON'S HEROES

STEWART ELEMENTARY SCHOOL

Dear Families,

It is hard to believe that this past Friday marked the halfway point of our school year. I can't begin to tell you how much I am enjoying this class. I feel very fortunate to have the opportunity to teach a group of students that work so well together, are always willing to help, and eager to learn.

Lots of learning has taken place this first marking period. The students are all proud of their ability to recite all 45 Presidents in order and even more proud of the facts and tidbits they can share about the Presidents. They can answer math problems using multiple strategies and have even created videos demonstrating these strategies. I am proud of the growth the students have made already this year and look forward to another semester packed with learning!

Valentine's Party

For our Valentine's Day Party this year students have expressed a desire to create their own Valentine's Day Box/ Container at home. Their creations can be made from a shoe box, empty gallon milk container, etc... Their name should be clearly marked on the container so students know whose box it is when mailing their Valentine's Day cards. Students can begin bringing in their boxes and Valentine's Day cards for classmates on Monday, February 12th. A class list is attached for students to use when addressing their

Welcome Olivia

The class was very excited to meet Olivia last week. Olivia moved to Stevensville from Paw Paw, Michigan. Olivia loves to read and draw.

Report cards will be sent home this Friday. I will be happy to answer any questions you have about your child's report card next week during conferences. If you haven't had a chance to schedule a conference, but would like to, it's not too late. If you would like a face to face conference please schedule a time that works for you by visiting www.ptcfast.com Our class code is: D951128732

I will be collecting January Book It calendars this week and next. It is not too late for your child to reach his/her January goal. I would really like to see all the students participating in Book It. Reading at home at least 20 minutes a day, 20 days a month will help your child become a better reader. Thank you for encouraging your child to read at home.

Students will be working on measuring story problems as well as fractions this week. Homework for the week is as follows:

Wed: 71-72

Thurs: 73-74

Upcoming Events

February 8- Parent/Teacher Conferences 1/2 day of school

February 19-Presidents Day-no school

February 23- Variety Show

February 28-Wax Museum

Study Island

Study Island is a great resource for students to use at home that reinforces math concepts the students are learning here at school. Currently, students are learning time, elapsed time, capacity and mass in math. I would love to see the students explore these concepts at home by signing onto Study Island and clicking on the the interactive quizzes, lessons, and flashcards under the Measurement & Data section. This is not only a great way for students to further explore these concepts, but it gives parents an opportunity to see what types of questions third grade students are expected to answer. Students will be taking an online State Assessment (M-STEP) in May. The questions students will be asked to solve on the M-Step are very similar to the questions and format Study Island uses. To login students should use their first initial followed by last name@lps Their password is study. To visit the site go to www.studyisland.com

a. Time - Lesson 

b. Time Elapsed - Lesson 

c. Capacity and Mass - Lesson 

This Week's Spelling

Unit 4, Week 2,

Test is on Friday!

1. found
2. town
3. shout
4. round
5. couch
6. bow
7. scout
8. round
9. plow
10. crowd 11. proud
12. clouds
13. ground
14. louder
15. bounce
16. drawing
17. lawn
18. hauls
19. announcement

Specials:

Monday-Art

Tuesday-PE

Wednesday-Guidance

Thursday-Music
