# Helen Keller

By: Evelyn Dwyer

"The best thing in the world cannot be seen or touched they must be felt with the heart"

This is a famous quote by Helen Keller. She was famous for being blind and deaf and wrote best selling books. Keller was born on June 27, 1880 in Tusculum Alabama, and died on June 1, in Easton Connecticut.

There are many different facts about Helen Keller. Keller was the first baby in the family. Keller wasent born blind or deaf, at one and a half years old she became blind and deaf. Keller has a brother named Phillip

and a sister named Mildred. Keller loved to play pranks. Over time Keller found ways to communicate. There are many interesting facts about Helen Keller.

Helen Keller was famous for being blind and deaf and writing best selling books. Keller also visits injured soldiers. She is also famous for her quotes. "Alone we can do so little, together we can do a lot." We all remember Keller's kindness.

There were a lot of events during Keller's life! Thomas Edison invented the first light bulb 1 year before Keller was born. Keller's helper Annie Sullivan married John Macy one year before the San Francisco earthquake. Keller wrote *Midstream* the same year as the stock market

Crashes, WOW! Keller attends Radcliffe  
1 year before Walt Disney was born.  
There were a lot of things going on  
during Keller's life.

There are many interesting facts about  
Helen Keller. Did you know blind  
and deaf people usually didn't  
attend college, but Keller was  
determined to go to college. Did  
you know Keller has best selling  
books? Did you also know when  
Keller was young she visited  
Alexander Graham Bell? Now you know  
all about good ol' Keller!

Helen Keller is famous for being  
blind and deaf, and writing best  
selling books. I wanted to be  
Helen Keller because she loves  
to read, and I love to read too.

Her favorite animal is dogs and I love dogs! Helen's aunt is name Evelyn and my name is Evelyn. I think Helen and I would be best friend if she was alive.
