

# HARRISON'S HEROES

STEWART ELEMENTARY SCHOOL

Note from Mrs. Harrison

Dear Parents,

I hope you all enjoyed some family time during Thanksgiving break. I look forward to seeing the students on Monday and hearing about some of the things they did during their time off from school.

We have four weeks until we break again for our winter break which starts on the afternoon of Friday, Dec. 23. We will be having our holiday party the morning of Dec. 23. You will hear more details about this party in a few weeks.

## Very Special Visitors!

Last week Sheriff Paul Bailey came to Stewart again, but this time he brought four canine dogs along with five officers. Needless to say, it was quite the visit! The students loved learning about the dogs and hearing from the officers. Following is a video of this very special event: <https://vimeo.com/773614235>

The students thoroughly enjoy going to specials. I plan on popping into their special classes more often to capture some of the special things they are doing. This past week I had the opportunity to stop by and video the students playing Turkey Tag in PE class. The students were smiling ear to ear during this fun activity! Check it out: <https://vimeo.com/774288337>

**Note from Mrs. Harrison Continued:**

The students continue to share that they are reading at home to reach their Book It goal of 400 minutes a month. Student should be logging the minutes they read each day on the November Book It calendar. Students can include the time they spend on Study Island ELA for Book It.

The students all appear to be enjoying learning the states and capitlas. The states are being introduced in ABC order. This week the students will be learning about Kentucky, Louisiana, Maine, Maryland, and Massachusetts. When introducing the states, the students learn about the capital, interesting facts about the state, the flag, and what year it became a state. We then add the state to our Presidential Timeline outside our classroom. The students are finding it interesting to learn who was President when the state became a state.

The students will be taking a Unit 2 test in math on Thursday. We will be working through a study guide together on Monday that the students can use to prepare for the test.
