

HARRISON'S HEROES

STEWART ELEMENTARY SCHOOL

Note from Mrs. Harrison

Dear Parents,

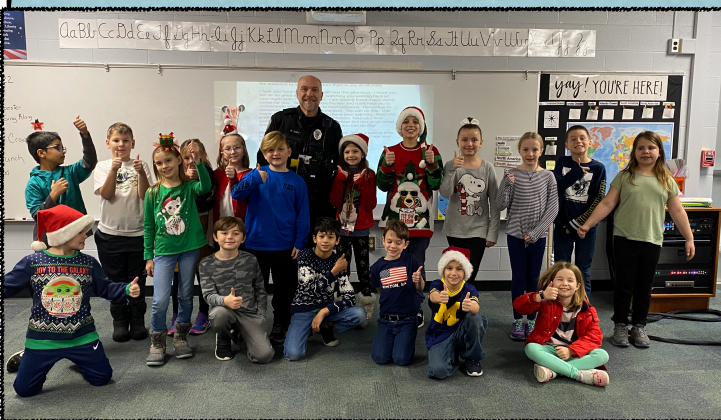

It is hard to believe that this week is our last week of school for 2022. With the predicted storm coming in Thursday evening and Friday, we are moving our holiday party to either Wed. Or Thursday from 2-3. You will hear more details later today or tomorrow.

The students are very excited about watching the movie Because of Winn Dixie this afternoon. When we finish watching the movie we will be comparing and contrasting the movie to the book.

Caroling at Crownpointe

The students had a great time on Friday when they walked to Crownpointe to sing some Christmas Carols to the residents there. Mr. Knuth, the music teacher, did a great job rehearsing with the student the past few weeks, and did a great job directing the students while at Crownpointe. Here is a link to a video I created of this fun event: <https://vimeo.com/782517054> Students will have another opportunity to sing on Thursday morning at 10:00 when the middle school and high school choirs visit Stewart for an all school sing-along.

Students enjoyed having the opportunity to meet officer Dorr, Lakeshore's School Resource Officer.
