

# HARRISON'S HEROES

Note from Mrs. Harrison

STEWART ELEMENTARY SCHOOL

Dear Parents,

It was great seeing so many of you at Math Game Day last Thursday. Here is a link to a movie a created of this fun event: <https://vimeo.com/760252595>

Another book order is coming home this week. These orders will be due by Nov. 1.

Remember you can order books online using this link: <https://orders.scholastic.com/Z38BF>.

Many students have shared with me that they are reading for Book It! at home and filling in their Calendar. Some students will be bringing home their Book It! verification from on Monday for parental approval. Please take a few minutes to scan the QR code and verify your child's participation in this program.

## Sheriff Bailey and Deputy Kelly

Sheriff Bailey and Deputy Kelly visited our class last week sharing what their roles are in the county and the importance of being a good citizen. They were both impressed when the students recited the Preamble and all the Presidents they have learned thus far. They gave the students some trinkets to take home. The students were very excited when Sheriff Bailey shared that he will be coming back with some patrol dogs.

This students were greeted Friday morning by some friendly deer outside our window: <https://vimeo.com/760647154>

Thank you to all the family members who came to Math Game Day. A special thanks to Maddie's Grandma (AKA Oma) For helping us get ready.

Students thoroughly enjoyed Sheriff Bailey's visit. Pictured here is Colton M wearing a hat that Sheriff Bailey had given him.

**Note from Mrs. Harrison Continued:**

Students will be bringing home information about the Stewart PTO fundraiser on Monday. Please help your student register and complete the Golden Ticket assignment that they will be bringing home. You will be hearing more about this fundraiser throughout the week.

Brain Busters started this week. Every day from 2:20-2:50 the students will be working in small groups working on specific skills. This week they are working on vowel teams. Here is a quick video that introduces what some of these teams are: <https://www.youtube.com/watch?v=Obo8ytUpECI>. Be sure to ask your children about Brain Busters. The students all appear to enjoy this time.

The students did a great job this past week on their Unit 1 post test. We will be starting Unit 2 on Monday, Multiplication. A Unit 2 parent letter is attached that describes what the students will be learning in this unit.

**Social Studies**

Students continue to learn about Government. This week students will be learning about important documents which include The Declaration of Independence, The Constitution, and The Bill of Rights. This week students will be assigned a login and password for their Social Studies weekly where they will be able to explore some of the interactive lessons our Social Studies Weekly program has to offer. This week the students will finish learning the Presidents when we read about; Reagan, Bush, Clinton, Bush, Obama, and Trump. Way to go students!

**Sneak Peek at the Week Ahead**

**Math:**

Students will begin Unit 2, Introduction to Multiplication. Be sure to read the attached Unit 2 newsletter.

Homework:

Tuesday: 21 and 22

Thursday: 23 and 24

A good resource for parents to use at home during this unit is: <https://mathathome.mathlearningcenter.org/>

**Language Arts**

Reading: The Strongest One

Strategies: Summary

Grammar: Common and Proper Nouns

Writing: Descriptive paragraph
