

HARRISON'S HEROES

Note from Mrs. Harrison STEWART ELEMENTARY SCHOOL

Dear Families,

A big thank you to all the families who ordered books from Scholastic last week. We ordered over \$300 worth of books!! Our class will receive over 10,000 bonus points plus \$50 worth of free books. Books should be arriving next week.

Book It is now officially underway. Students were given a Book It calendar on Friday to track their minutes. The goal for all third grade students is 400 minutes a month. At the end of each month students should return their completed calendars showing that they have read 400 minutes. Students will be receiving a coupon for a free personal pan pizza every month they reach their goal.

Thanks to our amazing PTO we were able to purchase the program Study Island. Study Island is a great online resource for students to use to practice their math and reading skills. To login students should go to www.studyisland.com and login using their login code and password. Students were given a card with their login code and password to take home. Once the students login, students should click on the MI Program blue bar and then click on math or ELA common core. Until October 14, students have access to 2nd Grade standards. I encourage all parents to help their children login and work through some of the 2nd grade questions this program asks our students to solve in both reading and math as it is a great review. I created this video to give you an overview of this program: <https://vimeo.com/756331495> Please let me know if you have any questions. Thanks.

Jayce gives a thumbs-up to the math work place station Target Twenty.

Lennon appeared to thoroughly enjoy being "Star of the Week" last week. This week Colton T will be our "Star".

Students enjoy the math work place station, Carrot Grab.

Class Flag

Students did a great job last week creating our class flag. They came up with five animals to symbolize our class:

Owl-We are wise and always look out for each other.

Dolphin-We are intelligent and friendly.

Fox-We are clever and resourceful.

Dog-We are loyal and joyful.

Turtle-We are strong, we take our time, and we never give up.
