What a Week!

Last week proved to be a very memorable week for the students as they went on their first fieldtrip to krasl Art Center, performed the Preamble, Presidents, and Pledge at the Berrien County Board meeting, and had the opportunity to meet veterans during Stewart's Veterans' Day lunch. To cap off such a special week they helped me create a special video that included them participating in a Veterans' Day Mannequin Challenge in our classroom. Here is a link to this special video:

The students continue to share that they are reading at home to reach their Book It goal of 400 minutes a month. Student should be logging the minutes they read each day on the November Book It calendar. Students can include the time they spend on Study Island ELA for Book It.
