

HARRISON'S HEROES

STEWART ELEMENTARY SCHOOL

Note from Mrs. Harrison

Dear Parents,

I thoroughly enjoyed meeting with parents on Thursday during parent/teacher conferences. I look forward to meeting with more parents on Monday, Nov. 21. If you have any questions or concerns that were not addressed during our time together, please feel free to call or email.

The students are all looking forward to Thanksgiving break which starts on Wednesday. Since this is only a two day week I will not be assigning any homework!

Jammin' with Jimmy!

The kids had a ball eating our Thanksgiving Feast in the room while listening to local musician, Jimmy Fastiggi, sing and strum his guitar. Jimmy stuck around when he finished to sign autographs for the students. Here is a video clip of Jimmy singing to the students: <https://vimeo.com/771716850> In the video you will also see Zayden singing a Thanksgiving song he wrote and Remmy singing the song her dad wrote, Man Up, Daddy. These songs are sure to warm your heart.

B

Right: Zayden has a new brother...Asher! Congratulations Markries family on your new bundle of joy!

Left: Thumbs-up to Lincoln Township for giving our class a Township map!

Note from Mrs. Harrison Continued:

The students continue to share that they are reading at home to reach their Book It goal of 400 minutes a month. Student should be logging the minutes they read each day on the November Book It calendar. Students can include the time they spend on Study Island ELA for Book It.

This Week's Word Work
No spelling this week!

Sneak Peek at the Week Ahead

Math:

Students are continuing to work on multiplication strategies. Last week they worked on creating bar graphs and line plots.

- e. [Represent Pictographs and Bar Graphs](#)
- f. [Represent Line Plots](#)
- g. [Interpret Bar Graphs](#)

On study Island under Measurement and Data students can practice these skills.

Language Arts

I am proud of all the students and their Book It achievement. I love it when the kids come in the classroom in the morning and tell me how much they have read at home!

Thanks for continuing to encourage your kids at home.

Brain Boosters: Students will continue learning about R-Controlled syllables. Here is a link that introduces this type of syllable in a fun way: [:https://www.youtube.com/](https://www.youtube.com/)
