

# HARRISON'S HEROES

Note from Mrs. Harrison STEWART ELEMENTARY SCHOOL

Dear Families,

We have many fun and exciting things scheduled in the next few months. Some of these events include our Valentine Party, Parent/Teacher Conferences, Variety Show and finally our Wax Museum and Third Grade Breakfast taking place on March 8th. You can find more information about these events throughout this newsletter.

The students are doing a great job reaching their Book It Goal each month. Students should be returning their January Calendars by the end of next week. I will be submitting a Book Order this Friday. Order forms were sent home last week. If you would rather order online please visit: <https://clubs.scholastic.com> our class code is Z38BF

## Valentine's Day Party

**Tuesday, February 14th, 1:00-2:00**

For our Valentine's Day Party this year students have expressed a desire to create their own Valentine's Day Box/ Container at home. Their creations can be made from a shoe box, empty gallon milk container, etc...Their name should be clearly marked on the container so students know whose box it is when mailing their Valentine's Day cards. Students can begin bringing in their boxes and Valentine's Day cards for classmates on Thursday, February 8th. A class list is attached for students to use when addressing their Valentine's cards.

### Change of Date...

#### Third Grade Wax Museum

**Wednesday, March 8th, from 9:30-10:30**

The date of this year's Third Grade Wax Museum has been moved to March 8th. The Third Grade Breakfast is scheduled for that morning from 8:00-8:45. Third Grade Family members are all invited. As a Third Grade team we thought this date would work better as family members can stay after the breakfast, help their student set up in the gym, and then attend the Wax Museum. Next month you will hear more details about both these events.

# Report Card and Conferences

Conferences will be held on the afternoon and evening of Thursday, February 9th. A conference note is attached. I am looking forward to touching base with all parents at this time whether it be in person or over the phone. During this time I will be able to answer any questions you may have over your child's report card which you will be receiving this Friday. I will also be going over your child's latest NWEA test results. If you would like to meet, but can't on Feb. 9th, I would be more than happy to schedule a time before or after school on another day. I am also available to have a phone conference with you before or after school.
