

HARRISON'S HEROES

Dear Parents,

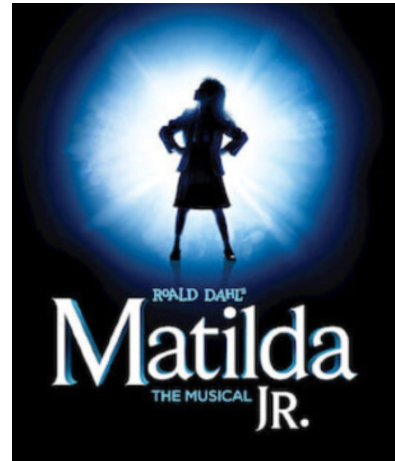

The students did a great job last week during our 3-5 Grade Choir Concert! They nailed the Fifty Nifty United States song. Way to go kids! Today they learned The Star Spangled Banner in class. We will start singing that song everyday as part of our morning routine.

The students worked hard taking the math portion of the M-Step test last week. On Thursday they will be taking the ELA portion. Following is a link to a practice ELA M-Step test. <https://wbte.drcedirect.com/MI/#login>. Feel free to visit this site with your child. It will give you an idea of the kind of questions your child will be expected to answer on Thursday.

On Wednesday the students will be taking a math test over Unit 5, multiplication. We worked through a study guide together in class. Students should be taking this study guide home with them today to prepare for Wednesday's test.

I will be going through homework binders on Friday. Students have until Friday to finish there pages through 98.

STEWART ELEMENTARY SCHOOL

Matilda Jr. The Musical

Children's Musical Workshop will be performing Matilda Jr. this weekend. This musical has a 75 person cast and our own Evelyn is one of them. Grandma Jo and I will be attending Sunday's performance at 3:00 at the Lakeshore Auditorium. Many students have shared with me that they would like to attend the show. Grandma Jo and I would be happy to sit with anyone who would like to attend. If your child would like to attend, and you can not, let me know and I will have your child meet me 20 minutes before the show at the high school.

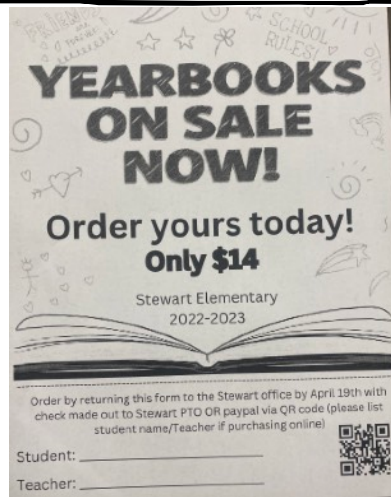

The students loved the book Matilda! It will be fun for them to see and compare the musical to the book. Following is a link to purchase tickets:

I am also attaching a link to Children's Music Workshop's webpage. This webpage is packed with information including information about summer workshops. For students who enjoy performing, this would be a great opportunity for them to practice their skills. <http://www.cmwonline.org>
