

HARRISON'S HEROES

Dear Parents,

Wow! Again, I can't thank you all for making last week such a special week for me here at Stewart. I don't remember ever feeling so appreciated. Thank you for all your support and a huge thank you to your children for being so awesome!!

This week we will be finishing the book *Wonder*. We plan on showing the movie on Friday. I shared with the students that they are free to wear PJs that day as well as bring a small blanket and stuffed animal from home. This is one of my favorite movies and books as the message is so important. As the book points out: "Courage. Kindness. Friendship. Character. These are the qualities that define us as human beings, and propel us, on occasion, to greatness."

We only have a few more weeks of spelling. The students only have 4 to 5 spelling words a week. Let's finish the year with a bang by having the students all try their best to receive 100% on the final spelling tests of the year.

STEWART ELEMENTARY SCHOOL

Guess My Polygon!!

Last week the students created polygon riddles highlighting four attributes of different polygons they have been learning about. On Thursday we invited fifth graders from Mrs. Lane's class to see if they could figure out the riddles the students created. Here is a sample:

- My shape has no equal sides.
- My shape has 2 acute angles and 1 obtuse angle.
- My shape has 3 sides and 3 corners.
- My shape has no lines of symmetry.

Can you figure out the shape? Scalene Triangle
Students have enjoyed learning about different polygons in Unit 6. Students will be taking a test over the information they learned in this unit on Wednesday.

Cheering on our Friends!!

On Friday the students had a chance to cheer on our friends from Mrs. Bilka's class when they left the school for the Special Olympics and when they returned.

BLUE RIBBON PARTY

The Blue Ribbon Party will be held this Thursday (4/11) after school until 4:30. During the party the students will be able to partake in fun playground activities as well as munch on some yummy pizza. This party is for all the students who have earned all their blue ribbons in ELA and Math. This was a very hard challenge and **we are proud of all the students who worked towards achieving this goal, even if that didn't make it.** Way to give it your best try!

Congratulations to the following students who earned all their ribbons:

Mrs. Harrison's Class: Evelyn, Sophie, Gabe, Hitarth, Chayce, and Maddie

Mrs. Clemon's Class: Eleanor, Rudransh, Anaya, Rushank, Carina, Mariah

Mr. Wright's Class: Craig, Grace, Kaleb

Upcoming Events

May 11: Blue Ribbon after school Party 3:40-4:30

May 12: 1/2 Day/ Movie Wonder at 9:25
