

HARRISON'S HEROES

Dear Parents,

It is hard to believe that we only have eight days of school left before summer break. We have some fun and exciting things planned these next eight days.

Students who made their Book It Goal all six months the program will be walking to my house on Thursday (6/1) for an after school pizza party. They will be bringing home a permission slip today.

Parents are invited to our Class Awards Ceremony taking place next Tuesday, June 6th. Students are bringing home a flyer today about this fun event.

On Wednesday, June 7th, we will be having a Michigan Breakfast in our classroom. Everything at the breakfast will be made or grown in Michigan. Students are bringing home a flyer today about this event. After the breakfast the students will be watching the movie Romana and Beezus.

Next Wednesday and Thursday, June 7th and 8th, are half days.

STEWART ELEMENTARY SCHOOL

What a Game!

The students all appeared to have a ball during our field trip to watch the South Bend Cubs. PE teacher Mr. Shingledecker and Superintendent Eding joined us for this trip. They both shared the they were impressed by the students and how well behaved and respectful they were.

This trip went well with our "Spring Training" theme this spring. We called it "Spring Training" as we prepared for the MSTEP and NWEA. The students worked hard reviewing and taking practice tests for these two assessments. I am happy to say their hard work paid off as the students all did a super job and showed growth on their NWEA tests. I am sending these reports home with students today in a sealed envelop. If you have any questions after about your child's score pleas feel free to call. I do not have the MSTEP results yet. Those scores will be send to you this summer.

Happy Birthday Oma!

This past Thursday the students all had fun celebrating Oma's birthday. Oma surprised the students with a book filled with all the German words and poems the students learned this year. She also gave them a map of Germany and other goodies, including some yummy cookies!

Students had fun creating a special birthday movie for Oma: <https://vimeo.com/830159529?share=copy>
