

# HARRISON'S HEROES

Note from Mrs. Harrison

STEWART ELEMENTARY SCHOOL

Dear Parents,

I am still working on entering parent email addresses into my contacts so that all families, that have access to the internet, will be receiving the weekly newsletters electronically. If you have yet to receive an emailed newsletter and would like to, please email me at [jharrison@lakeshoreps.org](mailto:jharrison@lakeshoreps.org). All newsletters (current as well as past), can be found on our class webpage at [harrisonsheroes@weebly.com](http://harrisonsheroes@weebly.com).

This week in social studies the students will begin to learn about Michigan History and state symbols. Representative Al Pscholka will be visiting our class on Monday to help us kick off our study of Michigan.

## Harvest Hoopla

It was great seeing so many families at the Harvest Hoopla. A big thanks goes out to all the parents who organized and volunteered for this event! Stewart students had fun climbing the rock wall, going in the bounce house, getting their hair painted, participating in the cake walk, playing the many games that were set up, and feasting on delicious pizza. Students in our class were extremely lucky when it came to the Basket Raffle. We have 5 students who won special baskets. Congratulations go out to Reagan, Matt, Justin, Megan, and Sierra. Not only did Sierra win a basket, she also won the ipad!

continued on page 2

Students had fun on Friday using Google Earth on the iPads to find their homes. They also had fun exploring all the learning links.

Mrs. Kuntz read the book *We the Kids* to the students on Constitution Day.

**Note from Mrs. Harrison Continued:**

Another exciting event taking place this week is the students will have the opportunity to meet with their buddies from Mrs. Dail's class again. We will be getting together on Thursday. to celebrate Johnny Appleseeds birthday.

A reminder that the Innisbrook orders were due today (Monday, Sept. 23). If your child forgot, please return the orders tomorrow or as soon as you can. Thank you.

Please feel free to call or email me if you have any questions or concerns. My work number is 428-1418 ex. 6112 and my home number is 428-5179.

**Flat Stanley**

Last week in social studies students had fun learning about different places around the United States. Some of the places and landmarks they learned about included The Statue of Liberty, Everglades, Mt. Rushmore, and the Grand Canyon. This week the students will be reading the story Flat Stanley. Students will learn all about Stanley's journeys to different parts of world. When we finish reading this book, the students will color their own Flat Stanleys to send to a relative or friend that lives in a different city, state, or even country. The recipient will then write about Stanley's adventures during his visit and send Stanley back along with pictures. This is always an exciting event for third graders as they love to learn about different places and cultures.

**Sneak Peek at the Week Ahead**

**Math:**

On Wednesday students will be finishing Unit 1 in math. Students will be working through a study guide together as class on Monday. Students will be encouraged to take these study guides home to prepare for the test.

Students will begin Unit 2 on Thursday. Look for a new homework packet to come home then.

**Language Arts**

Reading: Penguin Chick

Strategies: Main Idea/Supporting Details

Grammar: Identifying the predicate of a sentence, how to use a dictionary
