

# HARRISON'S HEROES

Note from Mrs. Harrison STEWART ELEMENTARY SCHOOL

Dear Families,

The students finished Unit 1 in math last week. We worked through a study guide together in class on Friday. Students will be taking a Unit 1 test on Tuesday. Please take a few minutes to look over this study guide with your child.

Third grade Halloween parties will be taking place on Monday, October 31st from 1:00-2:00. We were hoping to have it at the end of the day, but can't as the students have Brain Boosters during that time. You will hear more party details in next week's letter. Please feel free to reachout if you have any questions about the party.

Target 20      Blast Off to Space      Subtraction Bingo

Carrot Grab      Rabbit Tracks      Target 100

## Math Game Day

Thursday, Oct. 13th  
10:00-11:00

You are invited to join us for Math Game Day this Thursday in the cafeteria. The students have learned a lot of math games already this year. To celebrate finishing their first unit in math, we thought it would be fun to invite parents and the students can share some of their favorite games. A letter is coming home today with more information.

Good job Colton being last week's Star. This week Logan is our Star of the Week.

Students have a great time at the Pop Store last week spending all the Pop Tickets they have earned this year.

The students were excited on Friday when we flipped over the Dwight Eisenhower's card. He was the 34th President and the last card on the front of the board. Today we turned the board around to reveal that there are 12 Presidents yet to learn.

Students appear to enjoy working through some of the second grade lessons on Study Island. As I mentioned in last week's letter, these lessons provide a great review for students. Students access to the second grade material on Study Island ends on Fri. Oct. 14. Students will have access to Third Grade lessons all year.

## Sneak Peek at the Week Ahead

### **Math: Math: Bridges-Unit 1**

**Monday**-Review for test

**Tuesday**-Unit 1 test

**Wednesday**-Go over test

**Thursday**-Math Game Day

**Friday**- Study Island.

We will be starting unit 2 next week

For homework this week students should use their study guide to prepare for Tuesdays test. They are also encouraged to work through math lessons on Study Island 2nd grade.

### **Language Arts**

Strategies: Main Idea and supporting detail

Grammar: Identifying the predicate of a sentence, and how to use a dictionary

Writing: Personal Narrative

### **Spelling**

Words:

This week we will be reviewing all the vowels sounds and patterns the students have learned thus far:

Short vowel words  
(Closed syllable)  
Long vowel words  
(Magic e words)

Long O words  
(Oa, ow)

Long I words  
(Igh, I, y)

### **Specials:**

**Monday**PE/Library

**Tuesday**-Art

**Wednesda**-Music

**Thursday**-PE

**Friday**-Art
