

HARRISON'S HEROES

Note from Mrs. Harrison

STEWART ELEMENTARY SCHOOL

Dear Parents,

I am very excited to have the opportunity to teach your children this year. This week we are spending a lot of time getting acquainted and learning classroom routines.

Back-To-School Night is Wednesday, Sept. 14 at 6:45. I will be going over curriculum, calendar, expectations, and sharing some of the fun and exciting things we have planned for the year. You will also have the opportunity to sign-up for class parties and other volunteer opportunities.

Meet Mrs. Harrison's Heroes 2022-2023

Quinn Ayers
Evelyn Dwyer
Harper Fister
Jake Gray
Sophie Hughes

Race/Walk for Rare Kids

I was sharing with the students that I will be participating in the Race for Rare Kids in St. Joseph on Sat., September 10th. Some of the students expressed that they would like to participate. I am attaching an information flyer. The organizers of this race and the founders of the TBCK Foundation are former Stewart students, Dylan and Nikki (Stusick) Binkley

let's walk, run, and roll for all abilities!

9-10-22

8:30am Kick-Off 1K Kids Dash (\$12)
9:00am 5K Walk/Run/Roll (\$25)

Race For Rare Kids on Lake Michigan celebrates inclusion, accessibility, and empathy. Join us in supporting rare disease families and building an inclusive and accessible playground in St. Joseph, Michigan! We are so excited to build a place where ALL kids can play!

help us build an inclusive + accessible playground for all to play!

help us support families impacted by rare disease!

Please let me know if you can't make Back-To-School Night and I will send the information we will be going over home with your child.

Starting today, your child will be bringing home his/her assignment book everyday. Please take a few minutes to look over what your child did in school, sign, and have your child bring the assignment book back to school. This will be a good way for you to stay on top of what your child is learning in school and it will also help to keep your child organized.

Snacks are optional in Third Grade. Those students who bring healthy snacks from home will be able to eat them at 10:15 everyday.

Continents and Oceans

We will start out the year learning about continents and oceans. On Tuesday, Sept. 13th, students will be expected to label a blank world map. A word bank will be provided for them. A study guide will be sent home next week for the students to use to help prepare for the test. Students can also use the following website: http://www.sheppardsoftware.com/world_GO_Click.html

Math: Bridges-Unit 1

This first unit reviews and extends work with addition and subtraction as students review facts, look for patterns, and work with larger numbers. To learn more about the Bridges Math Program the students will be learning this year visit:

<http://>

www.mathlearningcenter.org

Language Arts

Reading: First Day Jitters Writing Trait: Ideas

Students are learning the Preamble. Their goal is to have it memorized before Constitution Day on Sept. 17th. We have been watching the School House Rock Preamble Video here at school.
