

# HARRISON'S HEROES

STEWART ELEMENTARY SCHOOL

Dear Families,

This coming week should prove to be a quick one as the students have Monday off for Presidents' Day.

The students continue to work hard here at school. Last week they finished their rough drafts for their biographies. This week they will be working on their final drafts. I am so proud of the students and the effort they are putting forth on these reports.

We will be finishing Unit 4, Measurement, in math this week. On Thursday they will be working on a study guide for this unit. They can use this study guide to prepare for next Tuesday's (2/27) test.

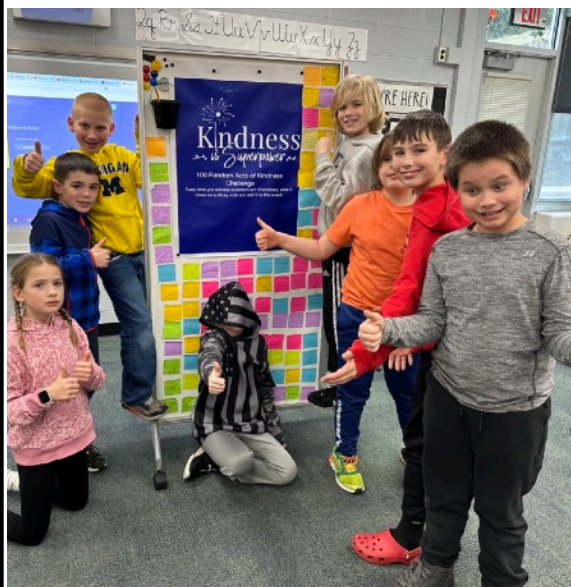

The students continue to impress me every week with how well they do on their spelling tests. This past week was a tricky one as the words were homophones. They all did great knowing the meaning of each word. Way to go kids.

Thank you for continuing to encourage your kids to read at home to reach their Book It goal of 20 minutes a day, 20 days a month. Many students are even reading more! Way to go kids...and parents!

## Valentine's Day Party!

A big THANK YOU to all the parents who helped to make our Valentine's Day Party such a success this past Wednesday. The students thoroughly enjoyed yummy food, games, and the craft. They especially enjoyed opening all the special Valentine's Day cards from their classmates. Here is a link to a Valentine's Day video I created: <https://vimeo.com/914165033?share=copy>

## Kindness Challenge

The students did an awesome job last week spotting random acts of kindness. In fact, they spotted close to 200 random acts of kindness!!! I am proud of all the students and the kindness they show everyday.

## Valentine's Day Boxes

The students did such a great job creating their own Valentine's Day Boxes at home. To check some of their fabulous creations out visit:
