

# HARRISON'S HEROES

STEWART ELEMENTARY SCHOOL

Dear Families,

This should prove to be a fast and exciting week. The Wax Museum will be taking place this Friday from 9:00-10:00 in the Stewart gym. Parents are invited to join us first thing in the morning to help the students set up in the gym. Some students will need to take desks, chairs, and other items into the gym. Many students expressed that they are creating poster boards about the person they are portraying to have on display. If your child is creating a poster board, they can display it on a desk or you may want to bring an easel. I have name plates, quotes, and buttons for students display.

Stewart teachers have all signed up to bring their classes for a 15 minute preview. Needless to say, our wax museum will be packed with many people visiting. It will be an exciting day. On Friday afternoon students will have the opportunity to reflect on their experience. Following are some reflections from some former students: [https://harrisonsheroes.weebly.com/uploads/7/4/2/2/7422288/wax\\_museum\\_reflections.pdf](https://harrisonsheroes.weebly.com/uploads/7/4/2/2/7422288/wax_museum_reflections.pdf)

## *Writing Celebration on Monday!*

I am so proud of all the students and all the work they put into creating such wonderful biographies. We will be having a writing celebration on Monday at 1:30. During the celebration students will have the opportunity to read their classmates biographies and write a quick review. These biographies will be on display during our Wax Museum on Friday where parents, students, and guests will have a chance to read and write a review. After the Wax Museum I will be scanning all the biographies and adding them to our website to use for examples for next year's class. Following is a link to a biography from last year. You will be able to see the review pages at the end where students and guests to the museum had the opportunity to write a a review:

## Study Island Blue Ribbon Challenge

I am so proud of all the kids and the effort they are putting forth earning their math blue ribbons on Study Island! Congratulations to Max Utley for being the first student from our class to earn all his ribbons! A quick reminder that students have until April 15 to earn their ribbons.

### **New Playground Equipment**

New playground equipment has been added to the Stewart Playground. Students are very excited to test this new equipment out this week!
