

HARRISON'S HEROES

Dear Families,

It is hard to believe that spring break is less than two weeks away! Thursday, March 28th, marks the end of the third marking period and the last day of school before break.

When students return from break they will be taking the M-Step. Students will be taking the ELA portion of the M-Step on Thursday, April 11, and the math portion of the M-Step on Tuesday, April 16.

These next two weeks we will be preparing for these tests so that students feel confident when taking them. Following is a link that I added to our website that will give you a glimpse of sample questions that the students will be asked on the M-Step: <https://harrisonsheroes.weebly.com/m-step-preview.html>. This link only works when you open it in Chrome. When you click on the M-Step button it will take you to a new screen where you should click on M-Step Online Tools Training. From there click on Sample Item Sets and then Grade 3. Just follow the step by step directions after that. Please let me know if you have any questions.

STEWART ELEMENTARY SCHOOL

Congratulations on a Job Well Done!

It was great seeing so many parents, grandparents, and family members at our Wax Museum. The kids did such a good job! The students were all very excited to see the many comments people wrote in their biographies. I will be scanning these biographies this week and students will be able to bring them home when I finish. I would like to link their biographies to our webpage to use as anchor papers (examples of awesome writing) in the future. Please let me know if you do not want me to link your child's biography.

Following is a link to a video I created of the students in our Wax Museum: <https://vimeo.com/921979246?share=copy> Also, a link to photos of the students I attached to our website: <https://harrisonsheroes.weebly.com/photos-23-24.html>

I want to thank all the parents and families who helped to make this event such a success! The props and costumes were absolutely fantastic! The best ever! Thank You!!

Study Island Blue Ribbon Challenge and Book It!

I am so proud of all the kids and the effort they are putting forth earning their math blue ribbons on Study Island and reading for Book It! Congratulations to Max and Lincoln for completing the Blue Ribbon Challenge. A quick reminder that students have until April 15 to earn their ribbons. This is the last month of Book It! Please continue to encourage your child to read at home, Thank you!

Special Guest Reader

Cheri Okonski, a local author, will be visiting our class on Wednesday afternoon. She will be reading her book, The Secret of Gumper the Rabbit. What a special opportunity it will be for the students to meet an author.
