

HARRISON'S HEROES

STEWART ELEMENTARY SCHOOL

Dear Families,

This should prove to be a quick week as Thursday and Friday are both half-days.

Exciting events taking place this week is the PTO sponsored book fair.

Students will have a chance to browse books on Monday. They will be bringing home their wish list as well as a Book Fair Flyer on Monday. Students will be able to purchase their books on Wednesday.

I am proud of all the students who have already turned in their February Book It calendar. Students have all week to turn in their calendar. A few students shared that they have been reading 20 minutes each evening at home but lost their calendar. If this is the case please write me a letter and your child will get credit. A March calendar was sent home last week. I made extra copies so please let me know if your child needs one.

Thumbs-up for our Portrait Timeline!

The students had a great time last week creating portraits of the person they are portraying in our Wax Museum. They created these portraits in art class and they all turned out great! We then put these portraits on a time line according to their birth year. Our timeline begins with Pocahontas (1596) and ends with Lamar Jackson (1997).

This week students will be adding the final pages to their biographies. One of these pages will be the speech they plan to say during the wax museum when someone pushes their button. These are short speeches where the students will share who they are and why they are famous, an interesting fact, and a closing. Students will have lots of practice saying their speech over the next few weeks.

Study Island Blue Ribbon Challenge

The Study Island Blue Ribbon Challenge started last week for all students in grades 3-5. After students earn all their Blue Ribbons in the area of math (there are around 39) their names will go on our Blue Ribbon Challenge Board for the entire school to see. The students have until April 15th to earn all their Blue Ribbons. To learn more about Study Island and this challenge watch this video: <https://vimeo.com/91484420??share=copy>

Time to Mark Your Calendar

Following is a list of important dates through the end of the year.
